DRAYTON VALLEY

RECYCLING

DON'T THROW IT AWAY, IT CAN BE USED IN SOME OTHER WAY!

The Town of Drayton Valley is working hard to reduce the amount of waste that goes to our landfill

Through innovative recycling programs, Drayton Valley aims to be a leader in protecting the natural beauty of our community.

TAKE IT OR LEAVE IT CENTRE

The Take It Or Leave It Centre is located at the Aspen Waste Management Facility (Landfill) on the left just as you enter the Landfill.

FURNITURE
TOYS
OTHER USABLE ITEMS

can be left at the Take It Or Leave It Centre. You can also pick up FREE items from the Take It Or Leave It Centre anytime during regular operating hours.

BLUE BAG PROGRAM

Curbside Blue Bag collection is available every week to Drayton Valley residents. Place Blue Bags out with your waste tote on scheduled collection days.

Make sure blue bags are not over 35lbs or they may rip.

You can also drop off your recycling at the Recycling Depot located at 5018 Industrial Road.

WHY WASN'T MY RECYCLING PICKED UP ON COLLECTION DAY?

- Blue bags were improperly placed or obstructed
- Blue bags are contaminated with food or contain prohibited material

MATERIAL RECOVERY FACILITY

The Aspen Waste Management Facility also operates a Material Recovery Facility (MRF) that collects recyclable material and household hazardous waste. Eligible paint and E-waste can be brought to the facility at no charge as long as the material is not brought in with other chargeable materials.

The Material Recovery Facility accepts the following items:

BATTERIES
BLUE BAGS
METAL
PAPER
PROPANE TANKS
TIRES
WASTE OIL
HOUSEHOLD HAZARDOUS WASTE
(i.e. pesticides, herbicides, cleaning agents)

Further information about recycling or scheduled curbsite collection in Drayton Valley can be found on our website: www.draytonvalley.ca/recycling-2/
