CULTURE AND HERITAGE

Drayton Valley is a young community but its culture and heritage have defined its history and will play a tremendous part in its future. The creative design for this medallion will showcase the importance and value of culture and heritage to our community.

COMMUNITY

An interconnected network of people, businesses and organizations reside in Drayton Valley that collectively contribute to the vibrancy and prosperity of our community. We are welcoming to those who are new to the area and there is a spirit of generosity amongst those who live here. The creative design for this medallion will showcase our most treasured resource, the people who call Drayton Valley home.

ENTREPRENEURIAL SPIRIT

Drayton Valley is defined by hard-working and progressive people, and the residents of our town are exceptionally creative and always strive to find better solutions. Our history has been etched by our original entrepreneurs and our future will be as well. The creative design for this medallion will capture the essence of our entrepreneurial spirit and resiliency.

NATURAL ENVIRONMENT

Located between the North Saskatchewan River and the Pembina River, the Town of Drayton Valley embraces its natural environment. Residents and visitors take part in outdoor activities throughout the year and the expansive trail system and green space throughout the Town reflect the community's desire to showcase the natural environment. The creative design for this medallion will showcase the natural beauty and vibrancy of our community.
