- Large overhead door serves numerous functions including the unloading, moving in/out of vehicles & equipment
- Bleacher seating for approximately 1,200 with an additional 600 people on the pad (depending on the floor plan)
- Large vaulted ceiling enhances sound for concerts and dances
- Accommodates a large variety of functions including banquets, dances, concerts, trade shows, conferences, sporting events, conventions, agriculture & livestock shows
- Three additional dressing / hospitality rooms
- Livestock wash bay

### Lobby Area

- 800 sq ft area features windows overlooking pad area and common seating area
- Capacity for 80 people
- Multi-function area with numerous setup possibilities

### Mezzanine

- 3,600 square foot area features floor to ceiling windows providing great natural light; this area has been used for banquets, seminars and hospitality rooms
- Capacity for 80 people
- Multi-function area with numerous setup possibilities

A special feature of Omni #1 and Omni #2 is a 12 foot pass through mechanical overhead door system which provides excellent traffic flow between both facilities and virtually doubles the space available for major events. This door can be raised or lowered depending upon the function and its security needs.

The entire facility is fully accessible to the disabled.
