Drayton Valley Earth Awareness

SMALL CHANGE

If you save small change and cash it in once a year, consider putting the windfall toward environmental improvements for your home such as water-saving showerheads or a year's supply of energy efficient lightbulbs, or as a start on a larger green project.

It's a painless way to get closer to having an entirely green home.

Strengthening Volunteer Boards

FREE WORKSHOP

WOULD YOU LIKE TO ENHANCE YOUR SKILLS AS A BOARD MEMBER?

As a board member of a not-for-profit organization, have you ever wondered...

- what are my legal and ethical responsibilities?
- what role do I play in governing our organization?
- how can our board organize its work and fairly and efficiently to avoid volunteer and staff burnout?
- how can we develop policies that will help us make consistent decisions? how can we encourage teamwork between the board and staff?

If you're a new board member wanting to learn more about your role, or an experienced board member wishing to enhance your skills and work effectively as a team member then.....

this workshop is for you !

Attend by yourself or with another member of the board. (Please note that workshop content will focus on incorporated not-for-profit organizations.)

Limit of 3 board members per organization please.
