LIVE XMAS TREE RECYCLING

Valley Power will be accepting, at no charge, live Christmas trees for recycling into renewable energy at the power plant.

Trees can be dropped off at the marked area outside Valley Power on 5302 – 34 Ave, from Boxing Day until January 31. Please ensure that your tree is free from all decorations and plastics.

For further information, please contact Valley Power at 780-542-7196.

UNABLE TO TRANSPORT YOUR TREE?

For residents who are unable to transport their tree for recycling, the town will be collecting trees from alleys throughout January. There is no need to call as Town vehicles will be throughout Town collecting every few days.

Thank you for recycling and keeping our landfill free from unnecessary waste.

EARTH AWARENESS

LIGHT'S OUT

It's obvious, but turning off lights at night can save you, and the environment, big. A computer left on to run 24 hours a day can increase your electricity bill by \$75 to \$120 yearly. By putting the computer into standby mode, this amount is reduced to only \$15 per year.
