LIVE XMAS TREE RECYCLING

Valley Power will be accepting, at no charge, live Christmas trees for recycling into renewable energy at the power plant.

The recycling program is an effort to keep of tones of waste from our local landfill.

Trees can be dropped off at the marked area outside Valley Power on 5302 - 34 Ave, from Boxing Day until January 31. Please ensure that your tree is free from all decorations and plastics.

For further information, please contact Valley Power at 780-542-7196.

UNABLE TO TRANSPORT YOUR TREE?

For residents who are unable to transport their tree for recycling, the town will be collecting trees from alleys throughout January. There is no need to call as Town vehicles will be throughout Town collecting every few days.

Thank you for recycling and keeping our landfill free from unnecessary waste.

A GREEN NEW YEAR

With 2010 upon us now's the time to set some goals for a greener year. Resolve to think twice about every purchase you make. Could you borrow it instead? Go without? If it's a must-have, consider how and of what it's made, where it came from and how far it had to travel to you before you open your wallet. Need a reminder to help you think green all day? Tie a string on your pinkie finger. Better yet, make it a green string!!!

LOOKING FOR CHILDCARE?

We have quality child care space openings in both our Approved Day Homes and Early Childhood Development Centre. These spaces are for children ages 0-12 years. For families seeking care in a day home environment we now have homes in Kimberly Estates and Rocky Rapids.

If you are looking for quality care and would like more info please call Bernice Taylor 780.514.2248 for the Early Childhood Development Centre or Lorri Winship 780.514-2525 for Family Day Homes.
