Demolition / Moving		25.00	75.00
As-Built			double pre-built fee

* 3.5% Safety Code fee is applied to all Building Permits, in addition to the permit fee.
Safety Code fee is a minimum of \$4.00 and a maximum of \$500.00

** Refund of Building Permit Fees - If the construction does not begin within 120 days from the date of the permit issued or the project is abandoned, the applicant can apply for a refund for the portion of the building permit.
Non Refundable Fee: 15% of assessed permit fee or minimum of 25.00 (whichever is higher).

*** A fee will be charged for an amendment to an application received during the Development Officer's consideration of the original Development/Building Permit Application submitted. This fee will be levied at the discretion of the Development Officer, but in no case will it exceed the original permit application fee.

**** A fee similar to that charged for the original Permit will be levied for any Amendments to a Development/Building Permit Application received *after* issuance by the Development Officer, as such amendment will be deemed a new application.

***** For commercial developments, the Applicant shall provide the fair market "construction value" on its application. If, in the opinion of the Development Officer, the "construction value" entered on the application seems low, the Development Officer shall have the full right to amend the "construction value" of the development to its fair market value.
