Ms. Sekura mentioned that the fundraising for the CT scanner started last year and that they aim to raise \$ 1.8 million. She explained that the oilfield downturn has had an effect on the campaign, though there are still many dedicated local fundraising partners. Ms. Sekura informed Council that the former MLA had announced contributions to the renovation of the CT scanner room, but since the change of the government nothing has happened.

Finally, she mentioned that she would be pleased with any kind of contribution the Council is willing to offer in order to make it a successful campaign; if not financially then by attending the Foundation's Gala on 21 November and by inviting other municipalities to attend the event. **8.0 Decision Items**

**8.1. Local Improvement Levy Policy T-01-15 and Debenture Policy TF-02-15**

Councillor Fredrickson explained that, as per the direction of Council, Administration has prepared the attached Local Improvement Levy Policy and Debenture Policy which establish a standard of evaluation criteria for all applications for Local Improvement projects.

The attached Debenture Policy is intended to replace the current Policy which was established in 1997. The proposed new Policy is consistent with the proposed Local Improvement Levy Policy and creates consistency while establishing best practices and a basic process for Administration to follow.

**RESOLUTION #245/15**

Councillor Fredrickson moved that Council approve Local Improvement Levy Policy T-01-15 as attached.

**CARRIED UNANIMOUSLY**

**RESOLUTION #246/15**

**CARRIED UNANIMOUSLY**

**8.2. CSRO Agreement**

Councillor Nadeau explained that, in keeping with the spirit of the Intermunicipal Co-operation Agreement, the Town of Drayton Valley and Brazeau County wish to establish the position of a Community School Resource Officer (CSRO) to be shared between the municipalities and the Wild Rose School Division No. 66. The CSRO position would fall under RCMP enhanced police services with responsibilities as follows, but not limited to:

- delivery of the D.A.R.E program;
- educating and Liaising with students and school personnel;
- attending school events (dances and sporting events) to maintain order and act as a deterrent to alcohol, drugs and unwelcome attendees.
- assisting schools with the development of programs and community education opportunities; relating to education and programming to community priorities, which may include issues such as preventing drugs, suicide and bullying;
- providing a proactive and visible presence in the Town of Drayton Valley and Brazeau County communities and in all the participating schools;
- checking into and assisting staff in all the participating schools in the Town in the initial response of investigations to incidents relating to Criminal Code, Provincial Law and Bylaw offences as it relates to drugs/narcotics.

The County, Town and School all included funding for this position as part of their 2015 budget. Agreeing to this Cost Sharing Agreement will commit the Town for a minimum of 3 years.

County	\$ 56,200.00
Town	\$ 56,200.00
<u>WRSD</u>	<u>\$ 41,200.00</u>
Total annual contribution	\$153,600.00

Councillor Shular expressed his concerns that the contributions might increase as the Agreement is based on a dollar figure as well as percentage amounts. Mr. Naidoo

explained that these numbers are based on the split between Town, County, and WRSD to give an idea of what the actual costs might be. After the application is made to the RCMP, a final figure can be determined and by stating the percentage contributions can be changed accordingly. After the division by three, \$10,000 are to be taken off from WRSD and added instead to County and Town contributions in the sum of \$5,000.00 each.

Councillor Shular asked if this position will fall under the County or Town. Mr. Naidoo explained that currently the position is managed by County Administration.

Councillor Bossert asked for an estimated timeline until the position is in place. Mr. Naidoo explained that it might be from a few months up to a year depending on availability of staff.

**RESOLUTION #247/15**

Councillor Nadeau moved that Council enter into a three (3) year cost sharing agreement with Brazeau County and Wild Rose School Division No. 66 to provide a Community School Resource Officer (CSRO).

**CARRIED UNANIMOUSLY**

8.3. Humans Helping Humans Housing Foundation Funding Request

Councillor Long explained that the Town has received a request from Humans Helping Humans Housing Foundation for funding of \$2,500 for the purpose of a raffle item during its Shakin' in Drayton Fundraising Event in November.

Administration has reviewed the application and has outlined details on what the Town has contributed to Humans Helping Humans Housing Foundation since 2008 to date is totally \$ 181,016.55. A funding request of this nature would fall under the Town's Community Event Grant, however, the funds available through that Grant have been expended for the 2015 calendar year. Should Council decide to grant the funding request the amount would be coming from the Town's Reserve Fund.

Councillor Long expressed his concerns about taking out contributions from the Reserve Fund. Councillor Nadeau shared concerns as well, but explained that housing is a top priority for the Town. Councillor Bossert agreed and added that the organization is doing successful work in meeting some of the housing need. Councillor Fredrickson noted that it is difficult to set priorities when more organizations might come to ask for funding to be taken out from Reserve Funds. Councillor Shular

expressed his concerns regarding the use of Chamber Cash for a raffle and the chance that the Foundation may not see a return equal to that amount. Mayor McLean agreed with Councillor Shular, but pointed out that Chamber Cash ensures that the donation will stay in the community.

**RESOLUTION #250/15**

Councillor Long moved that Council approves funding to Humans Helping Humans Housing Foundation in the amount requested of \$2,500.00 in Chamber Cash, to be taken from Reserves.

In discussing the possible composition of such an Authority, Administration has prepared Terms of Reference.

Mayor McLean pointed out that this matter was discussed at the recent Joint Council meeting and Councillor Nadeau explained that the County made the motion to table the decision. Council welcomed the opportunity to move with a Regional Tourism Authority and invite Brazeau County to join in this initiative.

**RESOLUTION #251/15**

Councillor Shular moved that Council direct Administration to prepare and negotiate the agreements for the establishment of the Regional Tourism Authority, to be presented to and approved by Council.
