4. Adjournment

COUNCIL REQUEST FOR DECISION

SUBJECT:	Greenplanet Energy Analytics Expression of Interest
MEETING DATE:	September 5, 2018 Special Council Meeting
SUBMITTED BY:	Administration on Behalf of Council

PROPOSAL AND BACKGROUND:

On August 29, 2018, Greenplanet Energy Analytics presented an update to Council on the contracted work to date, the development of a business model for a co-gen power plant. During this presentation Council was advised of a funding opportunity which closes in December 2018. The first step to applying to the funding stream is to submit an Expression of Interest (EOI) by September 13, 2018.

BUDGET / RESOURCE IMPLICATIONS:

While work on the EOI remains within the scope of the existing contract between the Town of Drayton Valley and Greenplanet Energy Analytics, it should be noted that should the funding be approved for the next phase it would have an impact to the capital and operating budgets. The full scope of the impact would not be known until further investigation following the submission of the EOI; however, preliminary numbers estimate a capital cost of \$4 Million.

LINKAGE TO MUNICIPAL POLICIES, PLANS, OR ESTABLISHED PRIORITIES:

Community Sustainability Plan, Sustainable Economic Development

Goal: There is a vibrant, strong and diverse economic base within our community

POTENTIAL MOTIONS:

- A. That Town Council approve Greenplanet Energy Analytics to submit, on behalf of the Town of Drayton Valley, an Expression of Interest for the development of a co-gen power plant in Drayton Valley.
- B. That Council elect not to proceed with an Expression of Interest for the development of a co-gen power plant in Drayton Valley as envisaged by Greenplanet Energy Analytics.
