

## Drayton Valley RCMP: Detachment is CLOSED

It has been decided that the Drayton Valley RCMP will be closed to the public until further notice. All non-essential matters will be screened using our exterior phone, and if required, will be let in and out of the Detachment for service. Anyone who is sick or has symptoms of sickness is requested to not attend the Detachment.

All Police Matters which require police attendance and 911 calls for service will be completed as per usual. What this means is that the Police will respond to calls of a criminal nature and no reduction of service will be made in that area. The community will still be under the protection of the Police and if people need help we will respond. However, all non-essential matters will be triaged for response and whether there is an immediate need to attend the Detachment. This temporary measure will be assessed by need on a daily basis, and with consultation with the community representatives we serve.

Should you have questions or concerns regarding this, please do not hesitate to contact the Drayton Valley Detachment at **(780) 542-4457** and we can direct you accordingly.
