

# COMMUNITY OUTREACH PROGRAM

---

In collaboration with local community groups, the Town began a program to help the seniors in our community with grocery delivery!

Seniors can order their groceries over the phone with Drayton Valley IGA and Jocelyn's Your Independent Grocer and volunteers will deliver them.

In order to ensure that your order goes smoothly, we ask that you please be patient and understand that not all items may be in stock; allow for flexibility on the brand of item you are requesting, and make generic requests for items such as "bread, milk, and eggs." This will help make the process easier and will allow for more orders to be filled. After your order is placed a volunteer will then deliver your groceries.
