

# SEASONAL PARKING BAN

Seasonal parking bans support the snow removal and maintenance efforts of Town crews. When a parking ban is called, vehicles on the seasonal parking routes must be removed.

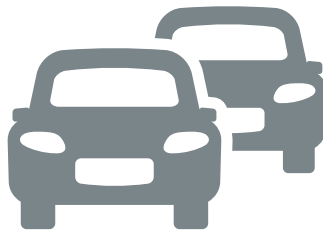

## LOCATIONS

The seasonal parking ban will be located in the following areas:

***50 Street, from 54 Avenue (Industrial Road) south to 52 Avenue, 50 Avenue to 46 Avenue;***

***on 50 Avenue from 43 Street west to 54 Street***

Permanent signage will be in place, clearly identifying the seasonal parking ban route areas

## SEASONAL PARKING BAN

The seasonal parking ban will be declared when there is significant snow and ice accumulation and during major plowing events and will be in place until it is lifted.

***When a seasonal parking ban is called, no parking is permitted on the designated seasonal snow routes and remains in force until the ban is lifted.***

Once the ban is in effect, vehicles parked where the seasonal parking ban signage appears must be removed from those routes. Vehicles still in place once the ban is in effect are subject to ticketing and towing.

## NOTIFICATION

Information on the seasonal parking ban will be posted on:

Town of Drayton Valley website.
