CONDITIONS FOR HIGH HAZARD FIREWORKS

5.7.1.11 High-Hazard Display

- 1) Where high hazard fireworks are discharge, the permit holder shall ensure that
 - a) They have at least 2 assistants who are competent persons over 18 years of age and have been trained in the proper handling of fireworks,
 - b) The fireworks are set up in conformance with the "Display Fireworks Manual," published by National Resources Canada,
 - c) At least 2 portable extinguishers each having a rating not less than 2-A shall be not more than 45m from the location at which the fireworks are discharged,
 - d) The potential landing area is cleared of spectators, vehicles, dry grass, and other combustible material immediately prior to the beginning of the display and during the display,
 - e) Nothing other than a flashlight or electrical lighting is used for artificial illumination,
 - f) No person, other than persons responsible for discharging the fireworks, is closer than 45m from the location at which the fireworks are being discharged,
 - g) The location at which the fireworks are discharged is at least
 - i) 60m from any highway or other similar means of travel used by the public, and
 - ii) 15m from the nearest overhead obstruction,
 - h) A computer search is conducted of the display area for any duds within 72 hours of the conclusion of the display, and
 - i) Any unused fireworks or duds remaining are disposed of in a safe manner within 12 hours of the conclusion of the display.

5.7.1.5 Activities

- 1) No person shall discharge, fore or set off fireworks
 - a) In a place or in a manner that creates a danger or constitutes a nuisance to any person or property,
 - b) On a highway, roadway allowance, public beach, or park unless they first obtain written permission from the fire department,
 - c) On privately owned land unless they
 - i) First obtain the written consent of the owner or occupant of the land and the owner or occupant of neighboring land on which debris might reasonable be expected to fall,
 - ii) Provide a copy of the consent required in subclause (c)(i) to the fire department,
 - d) In a building or place, unless
 - i) The fireworks are specifically designed and clearly marked by the manufacturer for such use,
 - ii) The building or place is acceptable to the fire department,
 - e) Within 10m of any building, tent, trailer, canvas shelter or motor vehicle,
 - f) Within 200m of any place where explosives or flammable liquids or combustible liquids or substances are manufactured or stored,
 - g) Within 250m of a correctional institution as defined in the Corrections Act, a facility as defined in the Mental Health Act, a nursing home within the meaning of the Nursing Homes Act, a hospital as defined in the Hospitals Act, an Educational institution or a church, unless acceptable to the fire department or
 - h) When the wind velocity exceeds 45km/hr or when, in the opinion of the fire department, weather conditions create an undue fire hazard.

I am 18 years or older and have been made aware of the conditions on this permit, and I understand the conditions and information contained herein.
